GO BOLD WITH *Geometric Decor!*

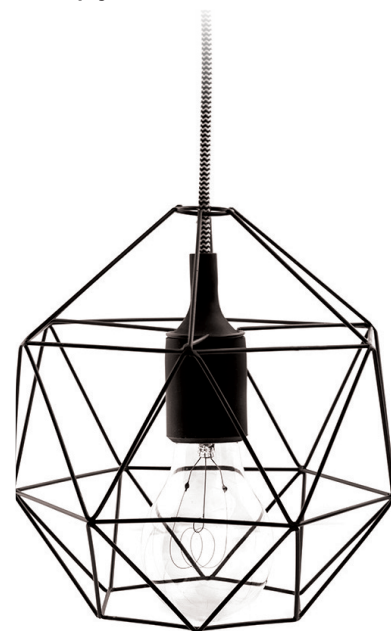

MAKE OVER YOUR ROOM WITH THIS MODERN LOOK!

HIVE MINDED!

We can't get enough of this honeycomb accent wall from our DIY Diva's blog, VintageRevivals.com. Copy her look (the easy way!) using patterned wallpaper or stencils.

Circles, squares and triangles — oh my! The geometric decor trend is sure taking shape! This hot style has been seen nearly everywhere, and we're not talking about math class. Celebs like Zendaya are rocking the look on the red carpet, and now it's making its way to bedrooms. Shapes transform into funky patterns that scream "retro with a modern twist." Here, we'll show you the best tips and decor items to help you score the look!

MODERN LIGHTING!

This simple metal frame will add a touch of elegance to your room while still feeling edgy. Kikkerland Diamond Pendant Light Frame, \$10, kikkerland.com

An eye-catching striped rug adds cool contrast to the space!

#TWEET!

This pretty bird may not sing any tunes, but it sure knows how to light up a room! Bibi Bird Candle, \$16, uncommongoods.com

MOD BOXES!

Store pens and other trinkets inside these gorgeous boxes — they have the golden touch! Tulip Wooden Boxes with Brass Lids, \$30-50, containerstore.com

This DIY plant is perfect for your night stand!

GEO PLANTS!

Give your plants a colorful home with this cool project by FarmFreshTherapy.com for Homedit.com. Smooth out the corners and edges of a wooden block using a sandpaper pad, then have an adult drill a round hole 3/4 of the way into the block. Paint random sides of the block in whatever colors you like using acrylic paint. Let dry, then place your plant inside!

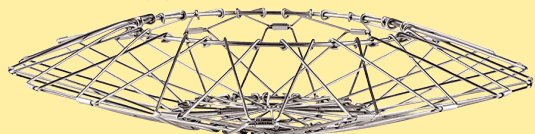

ONE BASKET, FIVE WAYS

Make this wire basket suit your bedroom need! It'll be the most versatile item in your room, since you can turn it into basically anything! Folding Wire Basket, \$20, containerstore.com

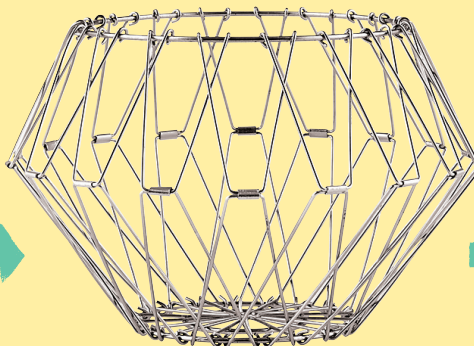

1. It stores flat when not in use.

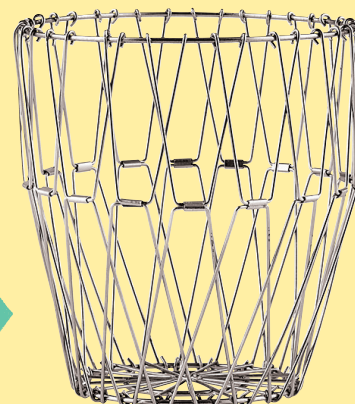

2. Display your collection of washi tape inside.

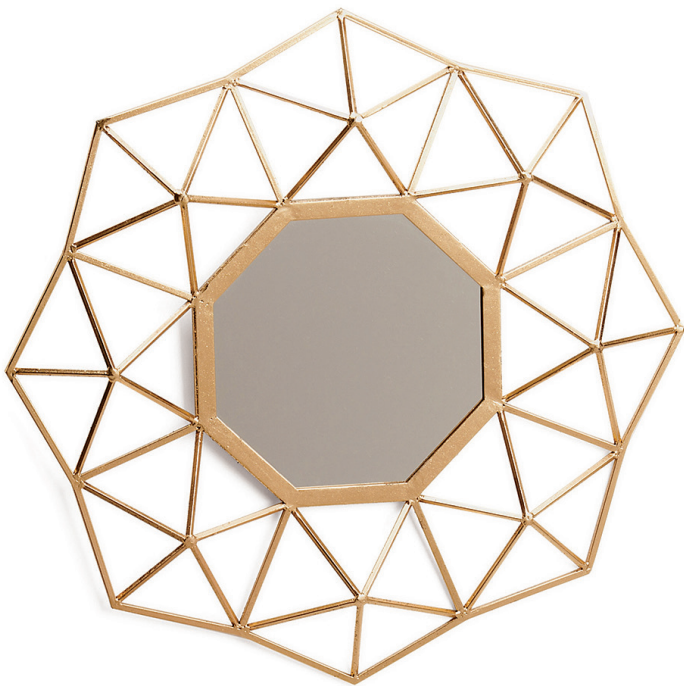

3. Keep your magazines organized!

4. Line with a plastic bag and use it as a waste bin.

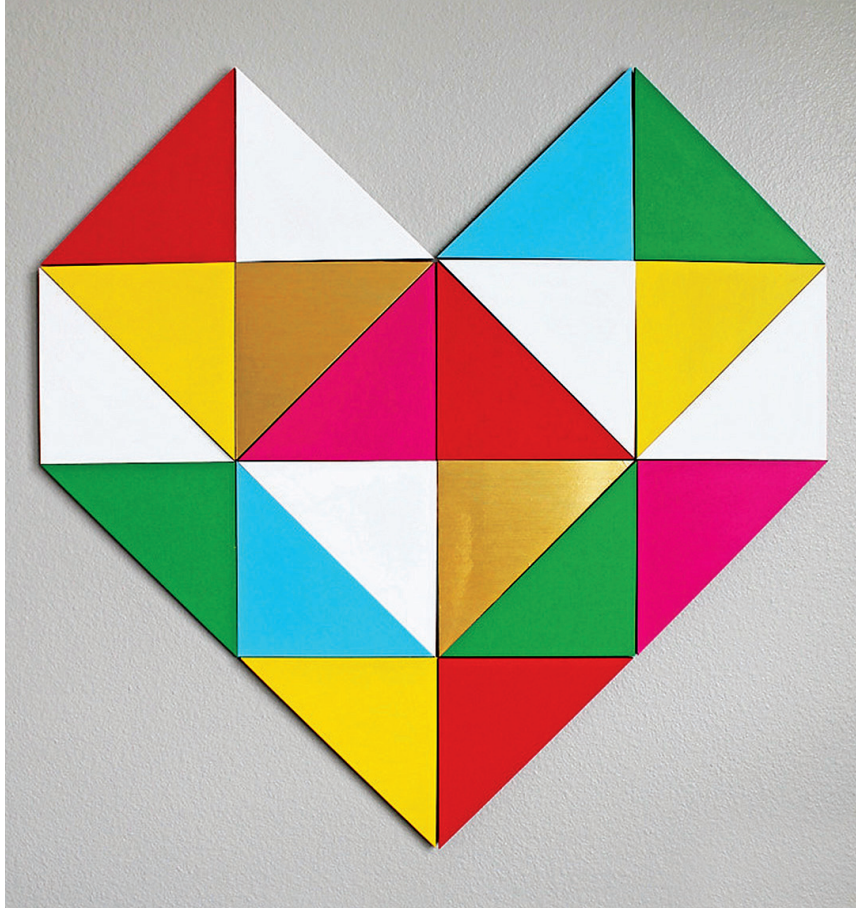

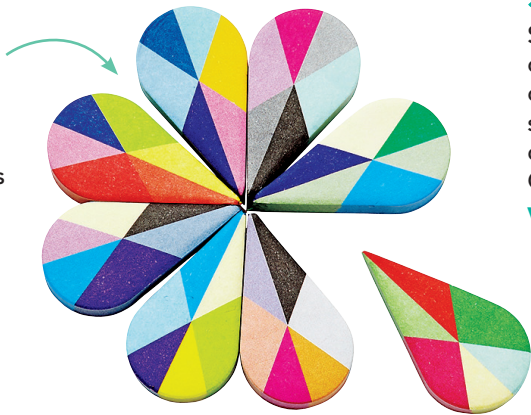

MIRROR ON THE WALL!

Whether you're fixing your bun or just love staring at the design, this mirror will make a statement no matter where you put it. *Triangle Border Mirror*, \$40, available at TJ Maxx stores

KEEPING TABS

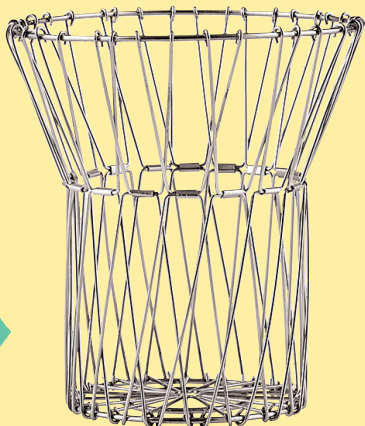

These crazy colorful sticky notes are the ultimate desk accessory! 360 Adhesive Point Tabs, \$6, containerstore.com

SHAPE OF YOUR HEART!

Splash your walls with this colorful piece of DIY art from SistersSuitcaseBlog.com. Paint 20 wooden triangles with acrylic paint using six colors of your choice. Before you mount them on the wall, arrange the pieces into a heart shape, organizing the colors to your preference. Once you have the design down, mount each triangle on wall using removable hanging strips. (We like Command brand, since they're so easy to use!). *Tip: Weigh each piece of wood to see how much weight each mounting strip needs to hold.*

5. Stash your umbrella inside.

SQUARE ONE!

This bold table would make a great night stand for any geometric bedroom! *Bank Street End Table*, \$119, allmodern.com
